

Completed Project

1. Accelerated exploration for mineral resources and modernization of the Geological Survey of Bangladesh (1980-1991) – Taka 4259 Lac, financed by Asian Development Bank.
2. Detailed geological exploration in selected areas of Bangladesh and other Geo-scientific activities (1994-1998) – Taka 369 Lac, financed by the Government of Bangladesh.
3. Detailed geological exploration in selected areas of Bangladesh and other Geo-scientific activities (1998-2003)—Phase-II – Total Taka 700 Lac, financed by the Government of Bangladesh.
4. Geoscientific Activities for Mineral Investigation (2004-2009) – Taka 350.00 Lac, financed by the Government of Bangladesh.
5. Modernization of drilling equipment and accessories of the Geological Survey of Bangladesh for investigation of mineral resources (2005-2009) – Taka 950.44 Lac, financed by the Government of Bangladesh.
6. 3-Dimensional Geological Modeling for Industrial sitting and waste Management & Health Hazard Assessment of Dhaka City, Bangladesh. (2005-2006) – Taka 157 Lac, Technical Assistance Project with Federal Institute for Geosciences and Natural Resources (BGR), Germany.
7. Building Ground Information System of Dhaka City, Bangladesh (BGIS) – Taka 294.9035 Lac, Technical Assistance Project with Federal Institute for Geosciences and Natural Resources (BGR), Germany.
8. High Resolution Terrain Modeling of North-Eastern Part of Greater Dhaka City, Bangladesh. (July, 2008 – March, 2010) – Taka 210 Lac, Technical Assistance Project with Federal Institute for Geosciences and Natural Resources (BGR), Germany.
9. Geological exploration for identification of mineral resources and the areas vulnerable to natural hazards in the coastal parts of Bangladesh (2006-2011).
10. Integrated Geological Mapping of the Chalanbil Area to Unveil the Quaternary Records and Climatic Changes (2010 - 2013).
11. Enhance institutional support and capacity building for mitigation of geohazards in Bangladesh (Sept. 2009 - June 2012).

1. Strengthening the Research and Exploration Capabilities of the Geological Survey of Bangladesh. (January 2010 – June 2014).

S/N	Name	Strengthening the Research and Exploration Capabilities of the Geological Survey of Bangladesh
1	Objective	<p>Targeting to achieve the goal, the following objectives are considered-</p> <ul style="list-style-type: none"> · Strengthening the exploration capabilities of GSB by upgrading the existing analytical & research facilities to the International level. · Enhancing the level of detection of valuable minerals and elements. · Human resource development (HRD) to support the advance level of research and exploration works through home and abroad training of 91 (ninety-one) personnel. · Creating congenial atmosphere for advance level research.
2	Duration	January 2010 - June 2014
3	Financer	Japan Debt Cancellation Fund (JDCF)
4	Total cost (in lac Tk.) Total: (a). JDCF (b). Others	Total: 3823.00 (a): JDCF : 3823.00 Fund allocation: i) Local currency : 3244.00 ii) Foreign Currency : 579.00
5	ADP allocation in 2009-10 FY (in lac Tk.) Total: 500.00 (a) JDCF (b) Others	Total: 500.00 (a) JDCF: 500.00 Fund allocation : (as mention in DPP) i) Local currency : 457.05 ii) Foreign Currency : 42.95
6	Approval status (in details)	<p>Project yet not approved but included in the green page of ADP allocation book of 2009-2010. The DPP was reviewed by the project analysis committee chaired by Secretary, Energy and Mineral Resource Division, Ministry of Power Energy and Mineral Resources. On 12-11-2009 twenty copies of the DPP were sent to Planning Commission for final approval through concern Ministry. PEC meeting was held on 20-01-2010 chaired by Planning secretary. As per decision of the meeting the DPP was Recast and finally submitted to the Administrative Ministry for final approval. The recast DPP was approved by the secretary of the MEMRD on 05-03-2009 and 35 copies of the DPP were sent to Planning Commission for final approval.</p>

2. *Geoscientific Activities for Mineral Investigation - 2nd Phase (2011 - 2014).*
3. *Geoinformation for Urban Development, Bangladesh (GUD). Financed by Federal Institute for Geosciences and Natural Resources (BGR), Germany (2013 - 2016).*

Projects under Process

1. *Identification and Economic Assessment of the Valuable Minerals in the River Sands of Bangladesh (July 2014 - June 2017).*
2. *Establishment of Advanced Geoscience Research Centre at Mirpur, Dhaka. (July 2010 – June 2014).*
